It is surprising that you came to find me first. It's probably because of the hint but I'll ask out of politeness. Why are you here to see me?

If it's for the hint, what are you going to ask me?

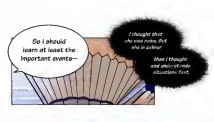
I would like to know where the history books are.
History book? You mean the library?
Yes, that's right. I think I should start reading first.

MISTY RAIN

That is easy but unexpected. I don't think there's enough time to read books.
Even if you don't know anything wouldn't it will be faster to ask people?

As you know I don't have any knowledge of this country. His majesty said before that

He himself isn't sure if people will tell the truth.
But I don't know anything, so I can't tell if they will be telling me the truth or a lie.



I thought that she was rude. But she is calmer
then I thought and she's not into situations fast.
So I should learn at least the important events—

That is a valid reason. Okay, I will guide you.
Shi. Is worth my time. to watch.

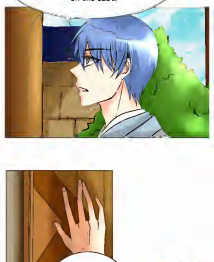
But I'm only guiding you to the library. The rest is up to you. After that you'll have to figure out what to do.
Yan, I understand.

This is the library. The emperor uses it most of the time, but it won't be a big deal.

MISTY ROAN
If the emperor is in there, don't mind him. He won't bother you either. However, show some respect to him at least. From what I heard from him, you sometimes are very disrespectful.
SO BE CAREFUL.

I understand.
It is longer than I thought

This place is large, so I should at least tell you where things are. The history books will be near the windows on the east.



There is a lot of history books, but not all will be useful. It will depend on you to find out which one is which.

I didn't expect much from you, but your judgement was good. I'll give you credit on that.
Anyway now—

PLEASE GO IN.
If you have time, look around slowly.

Since you're doing this, please study more history.
...I will.

Now, I'll be on my way. Do you have any more questions?
No, thank you.

MISTY RAIN

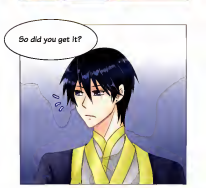
It was what I should do, so don't thank me. I hope you find something.

If you're the real goddess, this is not even a start.
REALLY THAT MAN IS..
Unnatural. Unreal.

He's home! Hide it!
That's not important. The window on the east? Let's see now...

step
This place is really big. I don't think I can finish them in a day...
step
step
I think It's somewhere around here.
MISTY RAIN
I don't know where I should start.
drop

To be exact there are two libraries, didn't Yi Hwan tell you this is my private place?
Looking at your expression, I don't think he told you. He doesn't do anything useless so there must be a reason.
DO HAN YEO ROOM, WHY ARE YOU HERE?
Misty Rain
There are two libraries? And this one is private...
Ah... I'M...
Yi Hwan, did he do this on purpose?
No. It's probably my over exaggerating.
I just wanted to read some history books so I asked Yi Hwan—
History books? And he told you to come her?
REALLY? IS THAT TRUE?
YES. YES!
SHOOO
Did you commit a crime or something?
Yeah, a crime called...



The things I asked you last time.

I do.
